Good morning. I just wanted to follow-up on my previous email. As I have emailed previously, if you are able to answer any individual FOIL request, please send over responsive records. I have never had the expectation that these FOIL requests be answered all at once.

Also, I reviewed the law you cited: 89(3): General Provisions Relating to Access to Records. My case against the CFB would not cause me to amend or withdraw my requests since the law states:

10. Nothing in this article shall be construed to limit a person or entity that is a party to any civil or criminal action or proceeding from gaining access to records

MEMORANDUM

TO: Whom it May Concern

FROM: Shoshanah Bewlay
Executive Director, Committee on Open GovernmentRE: *Alert: Legislation Extended: Chapter 58 of the Laws of 2024*

DATE: April 25, 2024 (updated May 15, 2024)

On April 20, 2024, Governor Kathy Hochul signed into Law Chapter 58 of the Laws of 2024. Part KK of Chapter 58 provides for a two-year extension – without other modification – until July 1, 2026, of the amendment to the Open Meetings Law (OML) established by Chapter 56 of the Laws of 2022 expanding the use of videoconferencing by public bodies to conduct open meetings, under extraordinary circumstances, regardless of a declaration of emergency. See previously issued guidance on this topic, which remains applicable, [here](#).

In addition, Chapter 58 also amended Public Authorities Law to add a new § 2829 to clarify and reinforce the fact that state and local authorities are subject to both the Freedom of Information Law and the OML:

All state and local authorities, as such terms are defined in section two of this chapter, as well as all subsidiaries of such state and local authorities, as such terms are defined in section two of this chapter, shall be subject to the provisions of articles six and seven of the public officers law relating to the freedom of information and open meetings laws respectively.

The amendment further provides that all such authorities and their subsidiaries

shall, to the extent practicable, stream all open meetings and public hearings on their website in real-time, post video recordings of all open meetings and public hearings on their website within five business days of the meeting or hearing and maintain such recordings for a period of not less than five years.

This amendment relating to public authorities goes into effect on May 20, 2024.

NEW YORK CITY COUNCIL STATED MEETING

2

COUNCIL MEMBER DINOWITZ: Thank you,

3

Majority Leader. If any of you are like me on

4

Election Day, June 22nd, last year, you were outside

5

campaigning for yourself and maybe some other people,

6

and people in my district, they came excited. They

7

knew exactly who they were going to vote for, for all

8

the municipal offices. When it came time for judges,

9

they had no clue. They had no clue they were even on

10

the ballot, because those offices are not required to

11

be in the voter guide. If you are in Manhattan, you

12

had a District Attorney's race. Those candidates

13

were not required to be in the voter guide, because

14

the CFB, the Campaign Finance Board, does not have

15

to. What they're required to do is put in municipal

16

offices, but judges, District Attorneys, have such an

17

impact on our daily lives and the lives of our

18

neighbors. So I'm introducing Introduction 48 which

19

would require the CFB to put information about

20

candidates for non-municipal offices in the voter

21

guide. We need to make sure that we have an informed

22

electorate, and this is one piece of that puzzle to

23

make sure that our neighbors and our voters have as

24

much information about the candidates they see on the

25

ballot as possible I'm also introducing Resolution
